

RUMBLING BALD BOULDERING GUIDEBOOK

The French Maid

- 38. The French Maid**
Excellent problems on overhanging fins.
- a) **Unknown V0**
Start at a large rounded bulb. Climb up and right, following a right trending diagonal.
 - b) **Unknown V1***
Low start on small sloping holds. Make a long move to big slopers. Climb up to a nice right facing ramp and follow this to awesome, incut plates at the top.
 - c) **Tim The Wizard V10****
Start the same as The French Maid but climb straight up the blunt prow.
 - d) **The French Maid V7*****
Classic. Many think that this is the best problem at Rumbling Bald. Don't miss a stick sloping jug and climb the overhanging fin until it is possible to climb it scoop. Top out on the right side of the fin.
 - d) **Made V5***
Start the same as The French Maid but traverse immediately right and finish on the overhanging left side of the fin.
 - d) **The Butter V7*****
Classic! This is just as good as The French Maid! Start the same as The French Maid but traverse left around the facing flake system on the left side of the fin. Get established on this facing flake system on the left side of the fin. Get established on this facing flake system on the left side of the fin. Get established on this facing flake system on the left side of the fin.
 - d) **Tastie Freeze Girl V8****
Fun. Start the same as The French Maid but traverse left around the facing flake system on the left side of the fin. Get established on this facing flake system on the left side of the fin. Get established on this facing flake system on the left side of the fin.
 - e) **Friend Or Foe V4***
This is the finish of Tastie Freeze Girl, and the original problem here. Matched on the right facing flake and climb this feature to the top.
